Summary

Passionate Pentester and Linux Fanatic | Ethical Hacking Enthusiast
| Upcoming Offensive Security Specialist

Hey there! I'm all about that cybersecurity life! Currently, I'm diving headfirst into the exciting world of ethical hacking and red-teaming. I'm determined to master the art of keeping digital systems secure. Linux is my jam, and I'm constantly tinkering with it to unlock its hidden powers.

Sports are my other passion. Whether it's cricket or football, I'm all in for the thrill, competition, and camaraderie. The field is where I find my groove and embrace the spirit of sportsmanship.

As a lifelong learner, I'm always hungry for new cybersecurity knowledge. I keep up with the latest trends and techniques to stay one step ahead of the digital villains. I'm super stoked to connect with professionals who share my enthusiasm and explore opportunities to grow together.

Ready to join forces and make the cyberworld a safer place?
Let's connect and chat about our common interests and potential collaborations. Hit me up, and let's level up together!
